Group 'C and 'D' employees of Government. DG(W), CPWD has been asked to initiate action to implement these orders in respect of eligible Group 'C and D' staff of the CPWD. In addition, an item regarding revision of payscale of a few Group 'D' staff like peon, Chow-kidar Farash, Sweeper is pending in the National Council (JCM). It has, therefore, been decided not to proceed with the Cadre review of Group 'D' staff till the action on the institution promotions are completed and the decision on revision of payscale is taken after consideration in the National Council (JCM).

So far as the regular trasferred categories staff of the CPWD is concerned, the whole question whether it is necessary to continue with both these categories i.e., work charged staff and regular transferred category or it may be possible to do away with one of them is under consideration of the Departmental Council (JCM). A Subcommittee of the Departmental Council has been constituted to go into the whole question and make recommendations. Further course of action in the matter can|may be decfided after the matter is considered by the Departmental Council.

No. cadre review in respect of work charged staff of the CPWD has been undertaken, nor is it contemplated since the work charged staff do not constitute a Cadre. The Government instructions about periodical cadre reviews do not cover such staff.
